VICARAGE NOTES

Restoration Project

Matters are proceeding steadily. The architect's specification has been received and English Heritage are currently checking it through. This is used for the faculty application which I am now completing. We should be able to go out to tender very soon and finally have things set for the work in the spring. The timeline, although slow, is as expected.

Theft of lead from St.Lawrence's

It is just so sad to report the theft of lead from the porch roof in recent weeks. When kind people are creating, criminals are destroying. We are looking into the insurance on this so I am hoping for no further burdens.

Harvest Festival

Although I am writing just before the Harvest service and concert, I am sure we will have enjoyed good support. Thank you to all who are involved in the planning and all who shared in the occasion.

Our thoughts and prayers go to all who have been in hospital over recent weeks. It is at these times when the friendship, fellowship and good neighbourliness of Oxhill is truly appreciated

Best wishes and God bless,

DEANERY NEWS, OCTOBER 2013

We look forward to welcoming everyone to the next Deanery Synod on Tuesday, October 22nd at 7.30 pm in St. Mary's Church, Tysoe. Greg Bartlem, whom many will remember as Diocesan Youth Officer, was ordained and has since grown a church from nothing among the deprived youngsters of the centre of Coventry. The church is called Urban Hope, and Greg is coming back to tell us about it.

Before that, on October 12th, Bishop John will be leading the Deanery Confirmation service in St. Gregory's Church, Tredington, at 6.00pm. Please do pray for those being confirmed that day, and for Bishop John and all those involved in the service.

Finally, with Harvest all around us, and Harvest Festivals now in full sway, a Harvest Prayer:

Lord God,
in our plenty we do not appreciate all that we have.
Grateful for our abundance,
help us not to forget those whose harvest is meagre and limited.
Celebrating the harvest,
help us not to forget those who bring it to our tables.
Genuine in our thanks,
help us to be generous in our giving.

From 'Seasons and Celebrations', Donald Hilton.

Every blessing, Jill

OXHILL FESTIVAL CHOIR

As I rummage in my drawers for my sweaters and a raintop thoughts are turning to the Choir's annual event. This is just to let all our wonderful singers know that the Carol Service this year will be on Thursday 19th December and rehearsals will begin in November. It will be sometimes on a Monday and sometimes on a Thursday. Hopefully with different days you will be able to make, some if not all, of the rehearsals. Further details in the November News.

If there is anyone in the village who would like to sing with us you are very welcome. We are particularly short of tenors so come on you men, dust off those vocal chords and join us.

TYSOE MARIONETTE GROUP

Tysoe's Gruffalo was not the only Gruffalo attending the Buxton Puppet Festival 2013 up in Derbyshire on Wednesday 24th July last. There were many of his mates in the audience waving to him!

Our group took to the road – literally, and using our modified Dexion travelling 'fit-up' mounted Anne Cole's magical 'deep dark wood' (after Axel Scheffler) inhabited by a duplicate Gruffalo cast on short controls operated from a single bridge. This made the production much more manageable under travelling conditions.

But still it was quite an enterprise, made possible by the ready assistance of Andrew and Joel's families in loading/unloading the trailer, 'getting in' to the cleverly-designed small Studio Theatre in the Pavilion Arts Centre behind the Buxton Opera House, assembling the 'fit-up' and lighting, striking everything after the shows and reloading the trailer for return to Tysoe.

On first arriving in Buxton the previous afternoon we were informed that all three matinees were fully sold out in advance, i.e. 90 seats for each house, totalling 270 seats. Such is the appeal of Julia Donaldson's delightful little story to all age groups. This set our minds at rest as this was a commercial venture (unlike our usual practice of playing for charity) which turned up trumps and helped to defray expenses.

Now it is back to "Peter and the Wolf" in our Barn Theatre for the Autumn term. Any charitable organisation is invited to contact us with a view to raising money for their cause.

The evening will be 'hosted' by Ian Smith who is a Director of Matthew Clark, the highly regarded Drinks Wholesaler and is the main buyer and negotiator for hundreds of their wines - he has an encyclopaedic mind for wines and their qualities.

Ian will present a selection of 3 Reds and 3 Whites with some interesting stories about their production. There will also be some blind tasting to try and we will be looking for an Oxhill Christmas Champion!

Many thanks to Andy Buchanan for suggesting this event and for all of the work he has put in to bring it to fruition.

OXHILL GARDEN CLUB VISITS THE SAVILL GARDEN AND TAKES A BOAT TRIP ON THE THAMES

Thanks to the organising ability of Reg Gethin, on 21st August the Oxhill Garden Club and friends filled a coach and visited the Savill Garden. Just four miles from Windsor Castle and adjacent to Windsor Great Park, the 35 acres of formal gardens and woodland were created in the 1930s and are managed by the Crown Estates. Blessed with fine warm weather we enjoyed the delightful variety of plants and trees and many of us made good use of the lunch facilities.

To round off the day the group made the short journey to Runnymede on the Thames and took an exclusive pre-booked river trip – viewing the many riverside properties and boats, and going through one of the large locks.

Peter Rivers Fletcher

MACMILLAN

Many thanks to all who supported us in August, both at my house and at Tysoe show. Also to Tysoe tea rooms who have sold many lanterns for me. A grand total of £350 has been put in the pot to add to the proceeds of my BIG sale in November at my house in lower Tysoe.

We will be selling gifts, jewelry, flower arrangements, cards, cakes and preserves. Also 'as new' clothes both adults and childrens. There will also be as new Bric a Brac.

Please come along from 10 - 2pm on Friday 15th November.

Any donations will be gratefully received

IT'S TIME TO VOTE FOR OXHILL VILLAGE HALL!

As you know from the last Oxhill News, the village hall has been shortlisted in this year's Lloyds Bank Community Fund, with the chance to win £3,000.

The Village Hall Committee has put together an application that would see the existing chairs replaced with more comfortable fabric covered seats.

Our application, '**Making the Village Hall the seat of Oxhill**', is included in a public vote along with three competing applications from Stratford district. We need as many votes as possible to be one of two local winners each receiving £3,000 and we hope we can count on your support!

Voting started on **23 September and continues until 1 November**. Votes can be cast on the website lloydsbank.com/communityfund or by text after finding Oxhill's code on the same website then texting the word VOTE followed by our code to 61119.

Or you can vote by visiting the Shipston or Stratford Lloyds Bank branches and asking for a token to place in 'our' slot in the voting stand. Only one vote per cause per transaction in branch, branch enquiry or meeting.

We will know if we are successful in early December.

Thank you for your support!

Adrian Marklew

CARERS 4 CARERS

Finding support through supporting each other. A support group for rural carers.

Do you, or someone you know, look after a relative, friend or neighbour who is ill, disabled, elderly or mentally ill? Then you may not realise it, but you are a carer.

Last November, a self-help carers' support group was started in Kineton to serve the surrounding villages and rural area. That includes those of you reading this newsletter! Carers 4 Carers recognises that the needs of carers in rural areas are often different from those in towns. The feelings of isolation that carers often experience is intensified and travel problems and time issues can make it difficult for them to attend the carers support groups run by Guideposts Trust, the commissioned providers of carer support in the county.

As the name suggests, the group is run by carers, for carers. Support is given by offering opportunities to talk together, to share experiences and coping strategies. Carers frequently lack information on how to access services and benefits and our monthly programme includes guest speakers who can help fill this void. The group also has a large library of information leaflets from many different sources. Other activities include Carer Wellbeing workshops when the focus is on looking after the carer so they are fit to care!

We meet once a month, on the fourth Friday, between 10.30 a.m. and 12 noon at Kineton Methodist Church, Southam Street, CV35 0LL. There is time for coffee and chat – and sometimes cake! – followed by either our guest speaker or workshop. Our next meeting is on Friday 25th October when we will welcome a speaker from the Shakespeare Hospice. If you are a carer, your cared-for person is in residential care, or your caring role has recently ceased, you will be very welcome.

To find out more, please contact Gillian on 01926 640203, email kcarers4carers@gmail.com or go to our brand new website, www.carers4carersonthefosse.org.uk where you will also find a copy of our latest newsletter.

WOT2Grow YOUR Community Orchard

Fruit picking has continued unabated and now we are harvesting the wonderful Joan J autumn raspberries, these are a favourite amongst the members for their flavour and size. Water having been in short supply has affected quantities a little but recent showers and soaking rain have helped a lot.

We had a very successful Open Day with cream teas and a record number of people came along to see what we have done including lots of first time visitors to the orchard. The comments were most encouraging as to how lovely the orchard looks and the wonderful views and peaceful environment. Brad, the Scout Leader at Kineton, opened the sensory garden which was looking truly wonderful! The garden now has a beautiful wooden bench with commemorative sign and some bamboo wind chimes, to add the sound element to the garden.

The extension to the wildflower strip has been planted up. We laid carpet for a few months to weaken and kill off the grass and weeds to give the plug plants a chance to get established. Planting was easy with the subsequent rain giving the plants a chance to get settled in.

There is always work to be done at the orchard apart from picking fruit, the weeds never stop growing, the grass still needs cutting and the bees need looking after. We are lucky to have volunteers who look after so much but we can always do with more help so if you would like to get involved with one or all of the many aspects of running the orchard get in touch
